

Joshua 3:
Moving on with God

The Israelites face at least three problems:

the problem of timing (v 15);

the problem of the unknown (v 4);

the problem of an untested leader (v 7).

But they have a God who:

speaks (vv 7 & 9);

is with them (v 10);

goes before them (vv 3, 11 & 14);

is Lord of all the earth (vv 11 & 13);

sees things through (v 17).
