

Mark's Gospel: Jesus Rediscovered
The model disciple
Mark 10:32-52

Contrast between 8:22-33 and 10:46-52

Peter

Bartimaeus

To be a Christian disciple we need to see clearly who Jesus is

Messiah King (8:30)

Suffering Servant (8:31-33; 9:30-32; 10:43-34)

To be a Christian disciple we need to follow Jesus on the way of suffering service

Called and commissioned to discipleship (8:34-9:13)

Worldly attitudes to be overcome:

- Not depending on the Lord (9:14-29)
- Rivalry and ambition (9:33-37)
- Putting others down (9:38-41)
- Not treating sin seriously (9:42-50)
- Selling the gospel short (10:17-27)
- Counting the cost (10:28-31)
- Seeking status (10:35-45)
